KISSEN Workstation

Zenith

Features:

Derived from the German word for 'cushion', Kissen Workstations provide a soft design language for the workplace. The high performance understructure makes economic use of components while maximising setting options. These options include table heights, sizes, worktop shapes and leg orientations.

Kissen Workstation is engineered to optimise team based working with 90 ° and 180 ° configuration options and customisation to enrich the work environment.

Options:

- **90°** & **180°** configurations
- Solid timber leg
- Powder coated aluminium frame
- Linear or 45° leg
- Worktop in 25mm
- Shark nose edge or square edge tops
- CTRL Rail compatibility
- Precinct and S30 Screens
- Cable management: Omni duct, 96mm duct, Cable sleeve & Cable hub
- Floorsight pucks and sensors

Design: ZENITH DESIGN STUDIO

Warranty: 10 years

Certification: GECA, Greenguard, PEFC

Leg Finishes:

Timber   Aluminium

Finishes:

Worktop: 25mm laminate, veneer or custom top
Castors: Black for black legs and silver for all other leg finishes
