

BRUNCH Modular Table

Features:

BRUNCH system features modular table components with a curved honeycomb veneer board in timber, laminate or laminate Fenix. The table can be arranged to create many configurations for various working and home environments.

Option:

- Curve top with leg table
- Top with Wall fixing plate
- Columns Ø102 for cable management for curved and central tops
- Columns Ø102 for cable management for linking tops together
- Adjustable feet for leg and base

Design: ROMANO MARCATO for LAPALMA
