SOL-BREAK Table Zenith

Features:

SOL-MIX is designed around four key pillars of contemporary working behaviours: facilitating spaces for formal or informal meeting situations, social aspects of our daily routines, creative collisions for knowledge sharing, and moments requiring retreat and focus.

SOL-Break's round coffee table snugly combine with SOL-Sit configurations. Available in a variety of different top finishes, SOL-Break understands the requirements of touchdown zones and the importance of flexibility across a variety of working spaces.
