

STUDIO Modular sofa

Features:

Studio is defined by its bold fluted upholstery characteristics inspired by late 70s sofa styles, refined in a contemporary way, giving the series a unique identity. Each module of Studio articulates soft and welcoming lines ideally suited for living, socialising and relaxing where one can feel totally at ease. The armrest cushion is loose and can be moved and repositioned across the series, balancing the fluted upholstery.

Options:

- Linking System
- Movable armrest cushion
- Optional cushions
